Assignment for the week –

You take many things for granted in the course of a typical day assumptions you must make in order to function. For example, you assume the sun will come up, gravity will work, your car will start, lunch will be edible, and the pilot won't fall asleep.

1. This week, think about the many ways you already rely on God without even thinking about it. Make a list of the ways God is faithful from the biggest to the smallest.
2. Next, make a list of any times when you've relied on God by choice through prayer and obedient action. This list could begin with your decision to place your faith in Christ for salvation.

Changing Your Mind –

Fill your mind with concrete evidence of God's faithfulness by meditating on this verse this week...

Proverbs 3:5-6 Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He will make your paths straight.
