Swing to the things of God

Are there any good Churches around here?

Did you get one of these? (Gospel Tract)

Do you have a Christian background?

W – Would you consider yourself to be a good person?

D - Do you think you've kept the 10 commandments? Can I ask you a couple of questions to see if that's true?

Have you ever told a lie? What does that make you?

Have you ever stolen anything? What does that make you?

Jesus says that if you look with lust you have committed adultery in the heart... Have you ever done that?

J – If God was to judge you by the 10 commandments do you think you would be innocent or guilty?

Would you go to heaven or hell?

D – Do you think that you would go to heaven or hell?

Watch their mouth to see if they keep justifying themselves

When you detect openness and their being humble share with them the good news

John 3:16

Confess and forsake

Don't just believe in God put Him on just like you would a parachute if you were going down in a airplane ready to crash... you wouldn't just look at the parachute and say I believe in that parachute. That wouldn't do you any good but no, you would put on the parachute. In the same way, we are to not only believe in God but we are to put Him on so to speak.

Ask them if they have a Bible and encourage them to read and obey what it says

Watch the tone of your voice and your body language! Have the tone of a desperate plea or a compassionate doctor. Do NOT speak in a judgmental way!

Practice as much as possible! Practice on a friend or telemarketer.

Craft

C – Concern – Does that concern you? It should terrify us...

c – Cross – Jesus cared about us so much that he died on a cross over 2000 years ago to pay for our sins and all we have to do is...

R – Repent and put your trust in Him

A- And

F – Faith

T – Truth in the Bible daily and obey what you read

The eye analogy – would you give either one of your eyes for a million dollars? How about both for one billion dollars? If your eyes are more precious to you than money don't you think our souls that use our eyes as the windows to see are even more valuable?

Be a good listener and it will help you to remember your next point.
